A summary of receipts and expenditures for the fiscal year ended December 31, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1958, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and pay-rolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amount of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$1,097.41, from \$2,486.84 to \$1,389.43, during 1958, as shown herewith:

	Dec. 31, 1957	Dec. 31, 1958

	<hr/>	<hr/>
Current Surplus	\$2,486.84	\$1,389.43

Surety Bond of Town Treasurer:

The surety bond of the Town Treasurer should be increased from \$2,000.00 to \$4,000.00, in order that the amount of the bond may be more commensurate with the amount of funds in the custody of the Treasurer.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Lyman for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER,
Director

SUPERVISORY UNION #34

REPORT OF SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire, requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30th. The Superintendent of Supervisory Union No. 34 during 1957-58 received a salary of \$7,422.00 which was made up as follows: \$4,250.00 paid by the State Department of Education from the per capita tax and \$3,172.00 prorated among the several school districts. Allowance of \$1,100.00 for travel within the Union was also prorated as stated above.

The table below shows the proration of salary and travel charged to each school district.

RONALD A. PERHAM,
Superintendent of Schools

SUPERINTENDENT'S REPORT

To the School Board and Citizens of the Lyman School District:

I herewith submit my sixteenth annual report as Superintendent of Schools.

The total enrollment in your school last year was 32. The average membership was 28.2 and the percent of attendance was 94.35.

There were 4 pupils who attended junior high school and 2 pupils who attended high school in Lisbon.

The present enrollment is as follows: 27 pupils in Grades 1-5, 13 pupils in Grades 6 through 8 at Lisbon, and 6 pupils in the high school. There is one pupil attending St. Johnsbury Academy.

Lyman pays for one pupil attending Orford High School and receives tuition for two children who formerly resided in Lebanon.

There are no students from Lyman to be graduated from Lisbon High School this year.

Work is progressing very well at Lyman School, with Mrs. Clara Birch as teacher. The children are interested in their work, cooperative and show a good degree of responsibility and growth in their school activities.

The school desks are sadly in need of replacement. We plan to start a gradual program, purchasing a few new desks each year.

For many years we have been bothered by water shortage in the fall. If possible during the summer we hope to locate an additional water supply and pipe it to the spring.

The School Board is vitally interested in the education and welfare of every child. I wish to thank each officer of the School District and all members of the community for their help and cooperation towards a successful school year.

Respectfully submitted,

RONALD A. PERHAM,

Superintendent of Schools

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

Use your town dump.
